
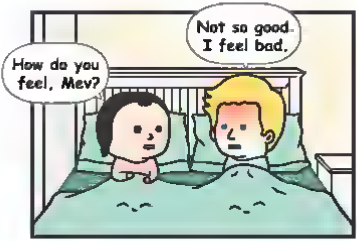
Normally it starts with a sore throat and it gets worse and worse.

Penguin Loves Mev In the UK

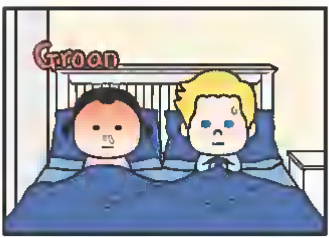
Ahchoo



Mev gets a very bad cold
2 or 3 times a year.

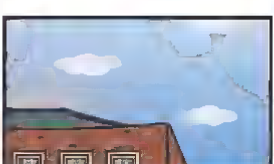
This winter, of course,
Mev caught a cold and
passed it on to me

After he has a difficult time with a cold for about 5 days,...

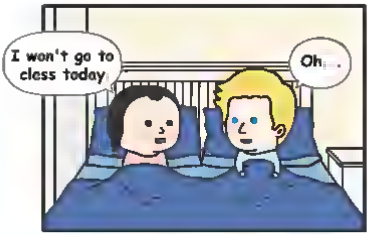


.... it's then my turn.
I always catch a cold after him.

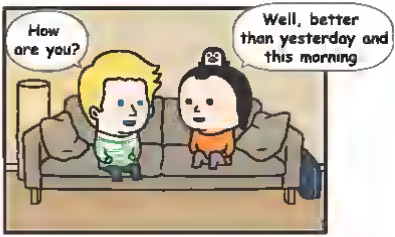
I started to feel ill on Saturday and I felt worse on Monday.



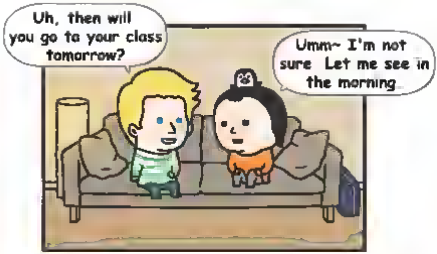
Tuesday morning.



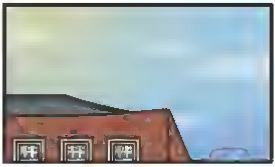
My English class starts at 9
so I needed to get up and get ready to go
to the class but I decided to miss it.



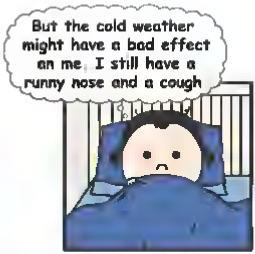
In the evening, I felt a bit better.



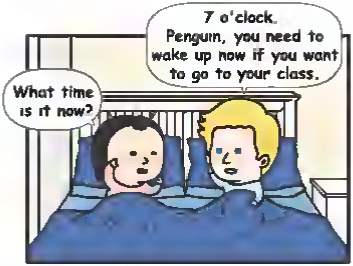
But I hadn't fully recovered yet
so I thought I would decided whether or not
to go to my class the following day.



One day passed by and
it was Wednesday morning.

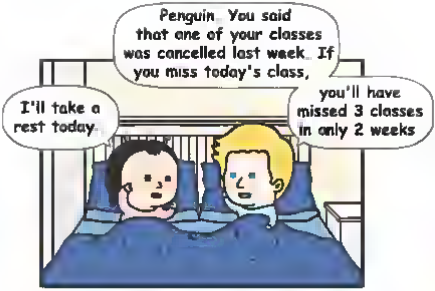


I was thinking hard
if I would go to my class or not.



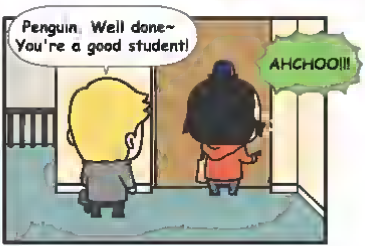
7 o'clock.
Penguin, you need to wake up now if you want to go to your class.
What time is it now?

Umm...
I don't feel as bad as yesterday
Shall I go?

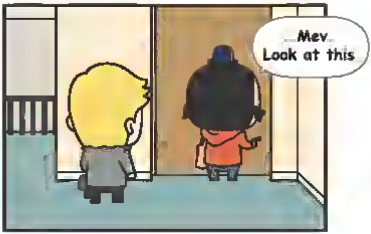


Penguin. You said that one of your classes was cancelled last week. If you miss today's class,
I'll take a rest today.
you'll have missed 3 classes in only 2 weeks

But I made up my mind to go to the class by pushing myself a bit more and got ready to go to the class quickly.

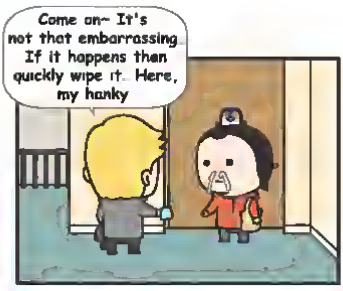


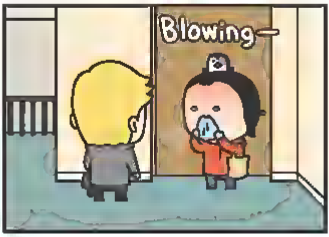
Mev and I were almost ready to leave home.
But then...



before we started to move,
I really needed ta show him this.

-If it happens in the class
I'll be in hell.





He was persistent.

Be careful
not to catch a cold.
